Juniores Pastry World Cup

SIGEP 2011 will host the new **International Team Championship, reserved for young confectioners under the age of 23**, and therefore one of its kind.

The event springs from an idea of **Roberto Rinaldini** in collaboration with **Rimini Fiera** and is promoted by SIGEP together with three icons of Italian confectionery, namely **Livia Chiriotti, Iginio Massari** and **Roberto Rinaldini**, President of the Championship.

The future of the profession is in the hands of the Young

The Juniores Pastry World Cup, held biennially, is for the young generation of confectioners coming from the 5 continents and offers them a highly formative opportunity to put their skills to the test and begin a gratifying and successful career

It is a media event of enormous visibility, aimed at placing in the international spotlight new trends in the confectionery sector, starring these young protagonists alongside highly representative personalities, Masters, industry professionals and businesses in the sector of artisan confectionery.

The Juniores Pastry World Cup, is a unique chance for comparison and an experience of growth for all those who, in the future, will contribute to making world confectionery great. It is the first necessary and essential competition for a professional life at the highest technical levels.
