For cream flavours, add the **zHero - Complet Lactose-Free Base** to the water or the **zHero - Plant Based Base** to the plant-based milk of your choice and mix. Add the flavouring paste and mix again. Allow to rest for at least 10 minutes and freeze.

For fruit flavours, it is recommended to use whole or pureed frozen fruit without added sugar so as not to change the properties of the base. Add the **zHero - Fruit Base** to the water and mix. Add the fresh or thawed fruit and mix again. Allow to rest for at least 10 minutes and freeze.
